Fire! Could you afford to replace all your possessions?

In 2007, Pembrokeshire Housing Tenants at a block of three flats in Haverfordwest and a house occupied by a family of five people in Pembroke experienced the nightmare of a serious fire. Thankfully none of the tenants were injured in the fires which caused substantial damage to the properties and of course damaged and destroyed the majority of their possessions including personal items.

Pembrokeshire Housing insures the building (i.e. the bricks and mortar of the property) but it is the tenants' responsibility to arrange their own household contents insurance.

Sadly in both cases the tenants did not have Household Contents Insurance and therefore were unable to claim for any loss of belongings, which left them homeless and without anything apart from the clothes they wore when they managed to escape the fire.

Whilst Pembrokeshire Housing was able to assist in finding new accommodation, these unfortunate tenants had very little to put into the new properties and had to rely on the generosity of friends and family to furnish them.

So, the message is straightforward – please ensure you have adequate Household Insurance in place – and Pembrokeshire Housing can assist you in finding Insurance Companies who provide limited cover at greatly reduced premiums for Housing

Association tenants. As little as 50p per week gives cover up to around £10,000.

Although Pembrokeshire Housing has no direct link to these schemes, we do recommend that you at least contact insurers and obtain quotes, or you can simply search the market place and find your own household contents insurance.

Whilst we can give advice and provide the names of insurers who offer an inexpensive service we cannot recommend these companies and you must contact them direct.

As an incentive to highlight this issue Pembrokeshire Housing hold an annual prize draw for tenants who have household contents insurance - no matter what insurers provide the cover - and you can win £50 cash and there are five runner's up prizes of £10 (details of the draw will be published soon).

Please do yourself and your family a favour and arrange Household Contents Insurance NOW to ensure you can replace your belongings in the event of a disaster such as fire or flood.

Contact any member of staff if you need advice on this subject.
