Welcome on Board Initiative

Pembrokeshire Housing provides an affordable quality home with landlord services to 1600 households in the County. We have helped over 160 people in buying their first home. Listening to and responding to our customers has always been important to us - it has helped to make Pembrokeshire Housing a success.

You can play a part in the future and there are many ways to get involved:

Become a Shareholder

You can become a shareholding member of Pembrokeshire Housing by paying £1.00 and buying a share. As a shareholder you may vote at the annual general meeting, having a say about who sits on the Board of Management. If you are interested please ask for an application form.

Join the Board of Management

We would like two more tenants to join the Board of Management. The Board of Management meets once a month to make strategic and policy decisions. It approves and monitors budgets and performance targets. All Board members are volunteers who have access to training and support. If you are interested please ask for an information pack.

Join the Tenants Panel

Any tenant of Pembrokeshire Housing is welcome to join the Tenants Panel. The Panel is a group of tenants that meets 10 times a year. Members of the Tenants Panel help to review policies and services, award small grants and judge competitions. There is the opportunity to meet and exchange ideas with tenants from other landlords, during exchange visits and conferences. All Tenant Panel members are volunteers who have access to training and support. If you are interested please ask for further information.
